DESCRIPTION

2019 Chevrolet Equinox AWD Premier for sale

*** Two Sets of Tires *** Presenting the 2019 Chevrolet Equinox Premier 2.0T in Summit White, an SUV built for the full emotional range of Canadian seasons, from surfing glaciers to cruising through Canadian Shield summers without questioning its life choices. Summit White looks right at home in a blizzard, blending into snowbanks like it was born there, then somehow looks just as good under blazing summer sun reflected off lakes, granite, and questionable campground decisions. The Premier trim with the 2.0T engine delivers smooth, confident power, perfect for highway merges, cottage runs, and heroic passing maneuvers involving loaded pickup trucks and wind resistance. It moves with calm authority no matter what the weather or the road decides to throw at it. Inside, the panoramic roof turns winter drives into dramatic snow globe experiences and summer trips into open sky adventures....
