DESCRIPTION

2022 KIA Seltos SX Turbo AWD w/Black Interior for sale

*** Extended Warranty *** ** Two Sets of Tires ** Listen up. This is the 2022 Kia Seltos SX Turbo, and I'm convinced that this thing was *accidentally* designed by someone who binge-watched the entire Fast & Furious franchise, drank a litre of Mountain Dew, and yelled Family! at a whiteboard until this turbocharged Korean rocket was born. The paint? Blacker than a villain's soul in a Bond film. It doesn't wear the color so much as absorb light like a black hole on four wheels. It's sleek. It's sinister. It looks like it should be idling outside a nightclub, or barreling through a desert chase scene with Dom Torreto behind the wheel, because frankly, this should've been called the Torreto Edition. Under the bonnet, a 1.6L turbocharged engine snarls like a caffeinated badger. Not massive, no, but when it gets going, it

punches far above its weight, like an angry goose in a phone ...
